### SWAN MERLIN

Merlin was purchased just prior to the last SWAN Family's on property bull sale in the early 90's. He was selected for his good fleshing, sire type and temperament. He has had a tremendous influence within the IVANHOE Stud over the years and many female progeny have been retained in the Stud. He is still at IVANHOE at 13 years and is still sound. He has produced approximately 650 offspring by natural service, with 430 head being registered. 350 of his progeny have been used in EBV programs resulting in a 93% accuracy rate.
